

STATEMENT OF PURPOSE

RS27438 / S1308

This legislation will bring Idaho Statute into compliance with federal regulation (Title 21 Federal Food, Drug and Cosmetic Act), which was signed into law by President Donald Trump in December 2019, changing the legal age to purchase tobacco products from 18 years old to 21 years old.

FISCAL NOTE

There is no anticipated additional cost to the State of Idaho for enforcement of this legislation. This change does not increase compliance, enforcement, and inspection activities or costs, it simply changes the age requirements that the inspections will observe.
